The Garden Centre Group have recently confirmed that they have successfully obtained planning permission for the installation of purpose built concession units at Woodbridge Garden Centre, Braintree Garden Centre, Ramsgate Garden Centre, Leicester (Rowena) Garden Centre, Bressingham Garden Centre, Lewes Garden Centre, Crawley Garden Centre and a major development of their Poppleton Garden Centre near York.

First Franchise are working with The Garden Centre Group (formerly Wyevale Garden Centre) on these projects and have been discussing them with a number of retailers who have expressed an interest for when they are completed. These proposed builds still have potential units available and First Franchise are actively looking for new retailers to work with the group.

If you would like to register any interest in the available units or for more information; please [click here](#) to complete our online form and we will review your enquiry.
